ABOUT ME

I am a person who is highly motivated at work, good communication and quick to learn new things. I have had an interest in the world of engineering since I was in college until now. Currently, I love to studies about engineering especially control and instrumentation engineering. I also passionate to study about Data Modeling such as Machine Learning.

PERSONAL SKILL

Quiq Learner
Critical Thinking
Communicate
Optimistic
Adaptable

PROFESIONAL SKILL

Python Programing
Machine Learning Algorithm
Data Science Tools
Matlab Simulation
Simulink
PID Tuning
Control System Design

PROFILE

Full Name	: Aldi Surya Briantama
Nick Name	: Aldi
Place / Date of Birth	: Sleman, 28 th February 2001
Marital Status	: Single
Religion	: Islam
Gender	: Male
Address	: Jl. Jogja-Wonari km. 14 Bantul Yogyakarta

EDUCATION

2016	SMA N 1 KALASAN
2019	Majoring in Science
2019	UNIVERSITAS GADJAH MADA
	Undergraduate Student of
	Engineering Physics (GPA 3.4/4.0)

ORGANITAZION & ACHIEVMENT

2021	Student shortcourse Trainee Focusing on Electric Power System Analysis (PT PLN Persero & ITS Surabaya)
2020	Internship PT PERTAMINA RU VI Balongan (Instrument Engineer & Engineering Dev) Internship 1 Month Oktober 2021
2020	KAMALOGIS UGM (Instrument engineer community) Content Write
2018	3rd Winner Geolgycal Olympiad Held by the Ministry of Education

WORK EXPERIENCE

2019	Second Language & Science Sleman
2020	Teacher of civil servant acceptance test .
